## **Reservist Employer of the Year 2025**

### *Self-Nomination Form*

*Recommendations, detailed information and examples of the nominees' performance.*

List/describe the ways in which your organisation's policy allows for a supportive work environment in which Reservists are able to feel valued.

Quality training equips reservists with valuable skills that are highly transferable to the civilian workplace. Underpinning each and every Defence person are the core values of Courage, Comradeship, and Commitment.

Describe

- how you have recognised the benefits Defence People bring to your organisation,
- and how you are making the most of their skills.

<p>From time to time a Reservist will be faced with increased periods of activity, requiring leave over and above standard leave policies.</p> <p>Provide example(s) of support offered by your organisation to a Reservist employee who is faced with these expectations.</p>	
<p>If you have further examples as to why your organisation makes a worthy nomination for Reservist Employer of the Year, please provide them here.</p>
